NAUTI PARTS

WHERE THE FUN STARTS!

SEADOO BRP

CREATED IN 1995 NAUTI-PARTS HAS SINCE THEN BECOME THE LEADING WATERSPORTS AND EXTREME SPORTS COMPANY IN MALLORCA.

Based at the entrance to Puerto Portals and the only authorised Seadoo Dealer on the island Nauti-Parts has been growing from strength to strength, now employing a wide range of staff and offering a range of services from a replacement boston valve to supplying tenders to the largest of superyachts. As well as jet ski and water toy rentals.

Nauti-Parts also provides storage, maintenance, repairs and a second to none collection and delivery service, enabling us to handle anything from the smallest to the largest of chores to keep your investment in ship-shape condition whether it be a private or charter concern, Nauti-Parts can cater for your every need.

Nauti-Parts will endeavour to stock and supply your vessel at the drop of a hat and if not we will do our utmost to fulfill your needs and requirements as soon as physically possible. Nauti-Parts has an extensive range of vehicles, from trucks with trailers, mobile spares and shop supplies and a flatbed with an onboard crane to facillitate onboard collection services, so you can avoid the headache of arranging lift outs and any other logistics involved with servicing your tenders and toys.

Nauti-Parts is a one-stop shop, offering a turn key service. Please do not hesitate to contact us with any requirement, query, or assistance you may need in this fast moving sector.

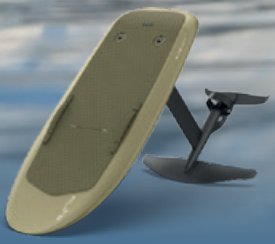
THE ULTIMATE RIDE, REFINED



Fliteboard
Suitable for all riders

The most popular board planes early yet remains agile for advanced riders. Quality construction and modular design means you can teach friends, or add advanced wings to progress your ride.

PRO
Confident starters to experts

Agile and responsive for lightweight riders and boundary-pushers alike. The solid planing area encourages newer (but confident) riders to get up and get carving.

NAUTI PARTS

ULTRA
For expert riders

Ultra is for experts who want to take the sport to new heights (literally). Reduced weight, streamlined design and optional foot straps make it the ultimate for waves, jumps, racing and carving hard.

AIR
Charter yachts, larger riders

AIR's rugged, inflatable design makes it perfect for families, yachts, resorts and schools. It's a great go-to for heavier or older riders who're after a more forgiving way to fly.

FLITE Authorised Reseller

THE EASIEST WAY TO START FLYING!

The most user-friendly eFoil on the market
Enjoy the magical sensation of flying silently above the water! Experience levitation with this eco-friendly and emission-free sport, protective of the local environment! Don't wait for wind or waves, just plug in the battery and start foiling!

SiFly E

from €10.995 inc IVA

A thrill for the whole family.

Rider weight range: 60 - 160 kg

Volume: 170 l | Charging time: 2.5 hrs | Battery life: 2 hrs
Size: 190cm | Range: 40km

Beginner to Intermediate

The biggest board in our range offers the lowest planing speed and the highest volume on the market, making it perfect for beginners and heavier riders. Eye-catching and portable, the SiFly E will make you stand out from the crowd on any family holiday. Stable and versatile, the SiFly E provides a safe and thrilling riding experience. Efoiling is now an adventure any family member can embark on.

SiFly R

from €10.795 inc IVA

The sweet-spot of electric hydrofoils.

Rider weight range: 40 - 140 kg

Volume: 120 l | Charging time: 2.5 hrs | Battery life: 2 hrs
Size: 171cm | Range: 40km

Intermediate to Advanced

Our midsize board offers the ultimate balance between usability, versatility, and performance. The SiFly R is designed to inspire confidence in newer riders, encouraging them to execute tighter turns and reach higher speeds. Stable, yet extremely agile, the SiFly R delivers a controlled and sporty ride in any conditions. Experience freedom.

SiFly S

from €10.795 inc IVA

The ultimate carving machine.

Rider weight range: 30 - 100 kg

Volume: 98 l | Charging time: 2.5 hrs | Battery life: 2 hrs
Size: 161cm | Range: 40km

Advanced to Pro

Our smallest board is designed to deliver an aggressive and sporty ride. Carve harder, fly higher, foil faster. The SiFly S provides unprecedented performance and control, transforming you into the pro-surfer you always wished to be. From the calmest lake to the roughest sea, the SiFly S makes no compromises and pushes the limits of watersports. Dare to fly.

SiFly Rider

from €9.995 inc IVA

Accessible Performance

Rider weight range: 40 - 110 kg

Volume: 110 & 130 l | Charging time: 2.5 hrs | Battery life: 2 hrs
Size: 161 & 171cm | Range: 40km

Intermediate to Pro

The SiFly Rider comes in two sizes and is the choice for all surfers looking for a versatile and accessible eFoil. The compact outline allows for aggressive carving, while the closed-cell foam construction ensures it retains optimal buoyancy. The shock-absorbing soft deck provides a safe and forgiving ride, yet is rigid enough to allow you to control the board with ease. Unlock new possibilities.

JETSURF®

JETSURF ELECTRIC

THE FIRST-EVER JETSURF FULL ELECTRIC BOARD

The first-ever JETSURF full electric board combines JETSURF's top-class manoeuvrability with environmental benefits.
The JETSURF ELECTRIC features:

EXPERIENCE
MANOEUVRABILITY
A JETSURF RACE CHASSIS
ACCELERATION
JETSURF DNA

The full electric-powered JETSURF board will be offered with two different specifications. The basic JETSURF Electric stands alongside its upgraded brother, the JETSURF Electric S, which will be equipped with a Battery Management System cooling the batteries when charging and discharging. The board will allow its rider to switch between ECO mode for longer cruising or BOOSTER for higher performance and maximum speed. The JETSURF electric powered board weighs 34 kilograms and exchangeable batteries provide up to 35 minutes of riding time, with a top speed of 50 km/h.

↕ length	⟷ width	↕ height	KG weight without pads	cruising range	charging time	skill level

ACCESORIES

Adventure with additional fuel tank

Adventure with additional duffel

Making a long distance JETSURF trip has never been easier. Make it a superb adventure with the JETSURF ADVENTURE DFI, which introduces a couple of brand new features. A higher level of independence will be secured by a specially-designed rack in the front part of the board. Additional equipment to make your journey more enjoyable, can be carried in JETSURF ADVENTURE duffel, or just add specially designed fuel can and enjoy cruising time of up to 3 hours. The 2019 JETSURF ADVENTURE is equipped with DFI low emission impact engine.

RACE / RACE DFI

PETROL BOARD

WHITE | PERFECT BLUE | FLUO PINK | FLUO YELLOW

If you do not have racing ambitions but still want to experience the feeling of real racing boards, then the Race model is the right choice. It will enable you to make really sharp turns reminiscent of riding a motorcycle and to master even the steepest waves. The JETSURF Race also comes with an option of a brand new DFI technology engine and a catalyst unit in the exhaust system conforming to the latest EU legislation for getting CE certification granted. Fast turning, low emission impact, and easy maintenance; the new JETSRUF RACE DFI 2019 is one to have!

KEY INFO Improved handling | Fuel injection | Higher torque | Significant noise reduction to 59 dB

ARE YOU READY?

F5

from/desde **11.720€**

The outstanding features of the SEABOB F5 are its unanticipated agility in the water and the extremely low vehicle weight of only approximately 29 kg. The low weight of the SEABOB F5 makes for optimal handling properties.

F5 S

from/desde **15.495€**

The SEABOB F5 S is also a lightweight device tipping the scales at approximately 34 kg. It distinguishes itself by means of its strong driving performance and its irrepressible propulsion in the water. The F5 S also features an optional bluetooth front camera.

F5 SR from/desde 18.465€

The SEABOB F5 SR is extremely powerful and, with a vehicle weight of 35 kg, is undoubtedly the premium model of the SEABOB F5 series. This watercraft boasts impressive propulsion.

RENTALS AVAILABLE

SEABOB LIFTING DOCK 1.180€

Gocycle® G4

€3,799

The all-new G4drive™
Smooth and quiet, Gocycle's bespoke new G4drive delivers more torque with class-leading compact packaging.

Carbon Fibre mid-frame
This central component of G4's monocoque chassis has the important job of connecting the hydroformed aluminium front frame and Gocycle's patented magnesium Cleandrive™. Three different components, three different materials, each optimised for three different roles.

Clean & Easy to live with
No cables, chains, gears, sprockets or oil – no mess. It can be taken everywhere. The streamlined chassis and PitstopWheels® makes cleaning the Gocycle fast and easy.

Foldable and portable
Gocycle packs away perfectly for transit or storage in tight city living spaces, boats, or motorhomes. The streamlined chassis and PitstopWheels® make cleaning the Gocycle fast and easy. Lightweight and stowable, no other ebike has the versatile dynamics of Gocycle.

SPECIFICATIONS - G4
