NAUTI PARTS

WHERE THE FUN STARTS!

CREATED IN 1995 NAUTI-PARTS HAS SINCE THEN BECOME THE LEADING WATERSPORTS AND EXTREME SPORTS COMPANY IN MALLORCA.

Based at the entrance to Puerto Portals and the only authorised Seadoo Dealer on the island Nauti-Parts has been growing from strength to strength, now employing a wide range of staff and offering a range of services from a replacement boston valve to supplying tenders to the largest of superyachts. As well as jet ski and water toy rentals.

Nauti-Parts also provides storage, maintenance, repairs and a second to none collection and delivery service, enabling us to handle anything from the smallest to the largest of chores to keep your investment in ship-shape condition whether it be a private or charter concern, Nauti-Parts can cater for your every need.

Nauti-Parts will endeavour to stock and supply your vessel at the drop of a hat and if not we will do our utmost to fulfill your needs and requirements as soon as physically possible. Nauti-Parts has an extensive range of vehicles, from trucks with trailers, mobile spares and shop supplies and a flatbed with an onboard crane to facilitate onboard collection services, so you can avoid the headache of arranging lift outs and any other logistics involved with servicing your tenders and toys.

Nauti-Parts is a one-stop shop, offering a turn key service. Please do not hesitate to contact us with any requirement, query, or assistance you may need in this fast moving sector.
